

ABOUT BVCOP

Bharati Vidyapeeth's College of Pharmacy was established in 1993 at C.B.D. Belapur, Navi Mumbai, occupying an area of over 35000 sq. ft. It is located in Thane Belapur belt which is an important industrial area of Navi Mumbai. The college is in close proximity to Belapur railway station and is also well connected by roads to all parts of Mumbai, Navi Mumbai and Thane.

Hon'ble Dr. Patangrao Kadam's commitment to bring about "Social Transformation Through Dynamic Education" has enabled our college to achieve the highest pinnacle of academic glory. We, at our campus conduct B. Pharmacy (Bachelor of Pharmacy) and M. Pharmacy (Master of Pharmacy) courses in four specializations namely Pharmaceutics, Quality Assurance, Pharmaceutical Chemistry and Pharmacology as well as Doctorate (Ph. D. Tech.) programme in specializations namely Pharmaceutics and Pharmaceutical Chemistry. All these courses are permanently affiliated to the University of Mumbai. BVCOP is recognized and approved by PCI, AICTE, New Delhi and DTE, Maharashtra. BVCOP has been accredited by National Board of Accreditation, New Delhi and ranked 42 by NIRF 2018.

Under the leadership and able guidance of Dr. Vilasrao Kadam, our college has made its mark in Mumbai region and has developed a state-of-the-art infrastructure and very well equipped research laboratories. Now BVCOP has come to the fore-front as one of the leading pharmacy colleges of Mumbai within the span of 24 years. It has provided several competent and well trained pharmacy professionals to the fast growing pharmaceutical industry.

Continuing Education Programme

"Pharmaceutical Education and Research: Current Scenario"

Vice Principal and Professor,
HOD - Pharmaceutical Chemistry,
Bharati Vidyapeeth's College
of Pharmacy, Navi Mumbai

ABOUT CEP

The pharmacy education and profession in India is regulated by PCI which is statutory governing body as per the provisions of Pharmacy Act 1948. The PCI is striving hard for excellence in the field of pharmacy by regulating the pharmacy education at diploma, degree and Post-graduation level. To ensure uniform implementation of the education standards set by PCI, the council is striving to conduct training programs and workshops for pharmacy teachers, who are actively involved in uplifting the professional standards of our country. One such attempt is "Continuing Education Program (CEP)"

A rapidly changing knowledge base and pace of growth in pharmaceutical science and technology, frequent paradigm shifts in research and development, policy, governance and management, Continuing Education of working professionals in the pharmaceutical academics and industry is a vital need. The Continuing Education Programme (CEP) at BVCOP has been set up to meet the training and knowledge up-gradation needs of pharmacy academic professionals.

GENERAL INFORMATION

1. Regular faculty of PCI approved pharmacy colleges of India are eligible to apply.
2. Total number of participants for the course will be 30 only.
3. Maximum 2 participants will be accommodated per institution.
4. Registrations will be accepted on first come first serve basis.
5. The scanned copy of duly filled registration form along with certificate of recommendation signed by Head of the Institution should be sent via e-mail to bvcopconnect@gmail.com, however, the original hard copy of the same has to be submitted on arrival at registration counter.
6. Participants are directed to attend the programme in Full, as only those who attend the programme in full are eligible for certificate after submission of duly filled feedback form.
7. Attendance of participants in each session is mandatory.
8. Hospitality would be taken care by registration and hospitality committee..
